## PINNACLE PCTV RAVE

### Watch TV on Your PC

- Record TV and Video on Your PC's Hard Disk
- Capture High Resolution Pictures from TV and Video
- WebText: Get Teletext Pages Instantly

Don't miss the big match or that classic daytime movie.

Whistle while you work to your favourite TV music channel. Pinnacle PCTV Rave turns your PC into a **fully functional TV** with top reception quality, easy channel navigation and an intelligent **Teletext** search engine. With Pinnacle PCTV Rave you'll never miss the action!

## PINNACLE PCTV

### Watch and Record TV on your PC

- Watch and Record TV on Your PC in MPEG-1 or MPEG-2
- Burn VCDs, SVCDs, or DVDs with your CD or DVD burner
- Pause or replay video sequences while recording a live show

Pinnacle PCTV turns your PC into a **TV** and **digital video recorder** giving you a new way to record your favourite television shows. Better than using the traditional and fragile VHS or audio tapes, PCTV records in **MPEG-1** or **MPEG-2** and then lets you burn a **VCD, SVCD** or **DVD**.

Remote control included.

## PINNACLE PCTV PRO

### Tune in and Record Stereo TV and FM Radio on your PC

- High quality, stereo TV and Radio recording
- Burn VCDs, SVCDs, or DVDs with your CD or DVD burner
- Pause or replay video sequences while recording a live show

Turn on, tune in and record! Pinnacle PCTV Pro transforms your PC into a **TV, stereo FM radio** and **digital video recorder**. Record your shows digitally in **MPEG-1** or **MPEG-2** and use your CD or DVD burner to **create discs** that will last a lifetime.

Get enhanced music and images on disc with Pinnacle PCTV Pro!

Remote control included.

## PINNACLE PCTV SAT

### Watch and record satellite TV on your PC in perfect digital quality

- Preserve the digital quality of Video and Music from reception to recording
- Pause or replay video sequences even while recording a live show
- Ready for High-Speed Internet Downloads

The sky's the limit with Pinnacle PCTV Sat.

Tune in to **hundreds of TV and radio stations** around the world, and bring sound and vision to your PC in **ultra sharp digital quality**. Then **record** your favourite shows in **digital format** onto your PC for archiving and copying **without quality loss**.

Keep it all digital for the ultimate TV and radio reception.

Remote control included.

## PINNACLE PCTV DELUXE

**EXTERNAL**

### Watch and record perfect TV on any PC

- Watch TV on any desktop or laptop PC
- Record Live TV with hardware assisted MPEG-2 Encoding
- Create your own DVDs, S-VCDs, or VCDs with your CD or DVD Burner

The new PCTV Deluxe is an external USB2 device - great for laptops as well as desktop PCs. Record TV shows from your cable, antenna, Digital TV set top box or connect your camcorder or DVD-player and store the incoming video on your hard disk or other digital media.

Thanks to its hardware assisted MPEG-2 encoding, PCTV Deluxe ensures full DVD quality regardless of your PC's performance. This also guarantees that your audio and video remain synchronized over long videos.

Remote control included.
